WEDNESDAY EVENING, JUNE 4, 1902.

LOCAL MATTERS.

Run rises tomorrow at 4:42 a. m. and sets 7:28 p. m. High water at 5:16 a. m. and 5:42 p. m.

WEATHER PROBABILITIES.—For this section fair; cooler tonight; Thursday fair with moderate temperature; light westerly winds.

ALFRED STREET PAVING.—At the request of some of the residents of Alfred street, between King and Queen streets, the committee on streets regarding the paving on the line of the street at the alley openings. There are seven alleys along the line of this street, all of which are open alleys. Two are certainly open because they run in a straight line through the square. These two are one leading from Alfred to Patrick to the Hydraulic engine house and the other from the Odd Fellows Hall, Columbus to Alfred. Whether the others should be thoroughfares is not known; but two certainly are. The contention is made by persons owning on alleys that their line begins at the alley and does not cross the alley and the sidewalk on the line of such alleys is the same as sidewalks on corners and circular curbing on corners, benefit for improved paving the same in one case as the other. It appears that for paving the street which reduced the roadway no provision was made for paving beyond the new curb line and the approaches to the alleys will not be left in as preactable appearance as they might be, hence the committee on streets will meet for the purpose of hearing the property owners and correcting, if possible, the trouble. The committee may also consider the subject of parking the street, as that roadway has been lessened in width, but under section two of an ordinance passed November 12, 1901, to provide for location of sidewalks and parking on streets reduced to thirty-two feet or less no fencing is allowed outside of the building line. Unless some change is made as to this it is not supposed much parking will be done.

POLICE COURT NOTES.—The following cases were disposed of by Mayor Simpson this morning.

Overton Price had been arrested by Officer Gill for obtaining articles under false pretenses. From the evidence it seems that he went to Mr. Marshall King's residence yesterday and told the family that Mr. King had been hurt, that his shoes had been much damaged by the accident and he had sent him for another pair. It was also charged that Price went to several other houses and procured shoes, telling similar tales. He was fined \$10.

Polly McIntosh, colored, who was charged by Polly Hopkins, also colored, with assault was dismissed.

Mary Jones, colored, charged with contempt in failing to appear yesterday when summoned, was fined \$2.50.

A warrant was issued for the arrest of a man who is charged with assaulting a boy.

John Bryant, colored, who was sent on to the grand jury a few days ago for shooting at Percell Lindsey, also colored, in a blacksmith shop in the northwestern part of the city, had his case reopened. He was fined \$50 and given 10 days in jail.

Mary Jane Jenkins, colored, charged with disorderly conduct and breaking a window, was fined \$5.

Olive Laird, colored, charged with being drunk and disorderly, was fined \$5.

FUNERALS.—The funeral of the late Capt. Richard W. Witt, who died Monday afternoon, will take place at 5:45 o'clock this afternoon from St. Paul's Church. The members of R. E. Lee Camp, Confederate Veterans, of which he was a member, will attend in a body. Rev. P. P. Phillips and Rev. Thomas Summes, the latter of Richmond, will officiate. The pallbearers will be Messrs G. W. Ramsay, E. H. O'Brien, E. J. Evans, Wm. Mahood, E. H. Kemper and Frank Beckham.

The funeral of Mrs. Jennie S. Alexander, wife of Rev. Dr. Alexander, who died last Saturday at the home of her husband, at Arlington, Va., took place yesterday afternoon from her late residence. The interment was made in Ivy Hill cemetery, west of this city.

The remains of the late Miss Elizabeth P. Carter, who died at the residence of Mr. W. B. Smart yesterday morning, were shipped to Baltimore this morning, where the funeral services will be held.

ANOTHER NUISANCE FROM ABOVE.—For several years Alexandria was annoyed by Washington garbage scows, and now a more pronounced nuisance is being inflicted upon the city by the scows of those engaged in removing night soil from the capital city. It seems that either accidentally or intentionally some of the contents of these scows are dumped into the river while passing this city, and making their way into the docks on the water front become very offensive. Yesterday the neighborhood of Fawcett was rendered exceedingly disgusting by floating filth, some of which was left on the shores by the receding tide.

COMMITTEE MEETING.—The committee on finance met last night at the Auditor's office and completed the examination of the books, vouchers and accounts of the general fund for the year ending May 31, 1902. This work, which is made part of the labor of the finance committee, progresses through the year and ends with the examination of the last voucher. Many matters have engaged the attention of the present City Council which, of course, entailed considerable committee work, much of which necessarily fell to the committee on finance.

DEATH OF MRS. STANTON.—Mrs. Carrie V. Stanton, wife of Mr. J. D. Stanton, and who had been critically ill, died at her home, on South Lee street, last night. The deceased leaves one child. She was a daughter of Mr. John Atwell. This is the third death which has occurred on Lee street, between Wolfe and Wilkes, in the past eight or nine days.

CLOSED FOR THE SUMMER.—The Sunday School conducted in the old First Presbyterian Church on South Fairfax street was closed yesterday evening for the summer. There was a happy gathering of teachers and scholars and the exercises were interesting throughout. At the close all present enjoyed a seasonable collation.

On and after Friday, June 6, the Alexandria Library will be open from 9 to 11 a. m.

PERSONAL.—Mr. Charles Hohenstein and Miss Frances Pulman were married this evening at the Episcopal chapel on Seminary Hill. After the ceremony the couple left for the north on a bridal tour.

On Saturday evening, June 7, the marriage of Miss Ellen Coolidge Burke, daughter of Mr. John W. Burke, and Mr. Charles Brown Eddy, of New York, will take place at the home of the bride's father. Owing to the serious illness of Mr. Eddy's father, the wedding will be a very quiet one, and only the near relatives and immediate friends will witness the ceremony.

As heretofore stated Miss Mary Donaldson Powell, daughter of Mrs. Robert Conrad Powell, of this city, and Mr. Louis Slesman Scott, of Leesburg, will be married at 8 o'clock tonight in Christ Church. The ceremony will be performed by Rev. Barryman Green. A reception will be held at the residence of the mother of the bride after the marriage ceremony.

The condition of Mr. Arthur Davis, who was injured on a freight train at the east end of the tunnel Monday, was not so favorable last night. He is still at the Alexandria Hospital.

TROUBLE WITH PAINTERS.—The painters who have been employed by the electric railway company quit work today. It is said the new managers required them to work longer than has been the custom heretofore. It is understood that trouble is likely to occur in other departments of the road from the same cause.

THE WEEMS LINE.—The summer schedule of the Weems Line steamers goes into effect tomorrow and the new steamer Calvert and the steamer Potomac will give a tri-weekly service between this city, the lower river landings and Baltimore. The steamers will leave Baltimore every Tuesday, Thursday and Saturday at 5 p. m. and will arrive here early Monday, Thursday and Saturday morning. The steamers will leave here every Sunday, Tuesday and Thursday at 4:30 p. m. and will arrive in Baltimore about 5 a. m. Tuesday, Thursday and Saturday. Landings will be made at the following wharfs on all trips: Glynnport, Liverpool, Riverside, Bushwood, Lancaster, Colton's, Howard's, Stone's, Abell's, Leonardtown, Piney Point, Adams, Lodge Landing, Mundy's Point, Kinross, Coan, Eundick's, Cowarts, Walnut Point, Miller's, Broom's, Gratton's, Bacon's, and Lewis's.

A DATE FIXED.—Two gentlemen of this city having laid a wager as to the date at which the postoffice was opened at its present site, a mutual friend who was made referee, has, after a search through the files of the Gazette, ascertained that the opening took place on September 30, 1858.

JOE LAM, Mayor's Office.

Alexandria, Va., June 2, 1902.

All persons owning or intending to keep any animal of the dog or canine species must come forward on or before JUNE 14, 1902, and take out a license for the same from the Auditor. After the 14th of June all persons owning or harboring dogs without the required license will be fined (as the laws on the subject require) \$5 for every dog so owned or harbored. Complaint has been frequently made that many persons fail to take out their licenses, and that others pay on one or two dogs when owning and harboring more, or send their dogs away during the summer months and bring them back in the fall. My attention has been called to this evasion of the law, and I shall require the policemen to report all such cases and fines will be imposed upon those who fail to take out licenses.

The police officers will be required to report all violation of this law. In order to avoid mistakes persons taking out licenses might write their names and number of residence on application for license.
